CHORUS

Baby waves goodbye to me

Baby rows across the sea

Baby sends a letter on a big jet plane

Baby's coming home on a choo choo train

Baby's arms are open wide

'Cause baby wants you to come inside

Fandango page 2

Love those hands

Love that face

Love my baby all over the place

CHORUS

Baby marches here to there

Baby combs out every hair

Baby knows a thing or two

'Cause baby's sort of like me and you

Baby likes to strut that stuff

But baby stops when it's enough

Baby likes to go man go

Go man go from head to toe

Love those hands

Love that face

Love my baby all over the place
