## Kitty Ditty page 2

2. Well, skinny kitty likes to climb the screen

It really makes my mama scream

When she gets the broom, kitty can't be seen

It keeps my kitty nice and lean

Fat cat really likes to eat

She won't eat cat food, fish or meat

We search the fridge for the perfect treat

She thinks ice cream really can't be beat\*

### *Chorus*

3. My kitty has a favorite chair

Where she goes to lick her hair

Well, sometimes she'll just sit and stare

At things that are not really there

She goes outside, but she won't go far

She likes to sit on top of my car

The backyard's where the good things are

Like fresh catnip and mouse tar-tar!

### *Chorus*
